2H30 Maximum

Revisit and personalize the All Blacks' choreography, made famous by to the New Zealand team of rugby.

1st phase : Collective learning of the choreography

Supervised by organizers, participants learn movements and song of All Blacks' choreography

2nd phase : first try all together !

3rd phase : Workshop in subgroups to customise the protest song and movements : **invention of words with the value of your company. To improve communication between your colleagues.**

4th phase : makeup to become a real rugby player ...

5th phase : Each group shows her choreography and her song to challenge other groups.

This team-building is a pretext moved to allow the expression, the commitment and the membership in the collective values of your company. Cohesion, dynamism, division and feelings will be there ...Que la partie commence !
