

Château de châtenay

A GREEN OASIS AT THE GATES OF PARIS

SEMINAR, TEAMBUILDING, BUSINESS EVENT

Nestled in greenery and only a few miles away from Paris and its major airport, the Château de Châtenay is set in an amazing countryside that has remained largely unchanged for more than a century.

The Château welcomes those who seek calm, fresh air and beauty to stage their meetings, seminars or special events: training course, dinner, congress, exhibition, products launch... It can accommodate up to 200 participants.

The whole place is dedicated to corporate events so that you could feel at home. It can be fully privatized in order to ensure your privacy.

"A warm welcome, a magnificent setting and very pleasant work rooms, efficient service, excellent catering... All the participants were delighted"
