5 – 200 PEOPLE

1H30 Minimum

3H Maximum

“Some noise can be heard, then **the actors get on stage...**” An horrible crime has just been committed and the chief of police needs your help with this enquiry. You are split in teams composed of 6-8 people, the suspects are then introduced to you, and only after **you can start your investigation.**

You will examine the scene of the crime, pick up evidence and fingerprints, search the other rooms, interrogate suspects...

As police investigators you will have everything at your disposal **to find the murderer, to set the motive/reason and define the method used.**

4 different atmospheres/ periods: Murder at the château (beginning of the 20th century) / Murder at the dancing (1950s) / Farmer party (death lies in the meadow) / Contemporary murder (CSI like investigation)

Included :

Conception, organization, animation, briefing and debriefing in French or in English / 4 to 6 actors, animator - salaries, charges / Actor's costumes / Material needed for the investigation / Moving staff and equipment / RC Organization Assurances.
